SYMPOSIUM

FOR ADVANCING PRECISION-BASED INTEGRATIVE, AND INDIVIDUALIZED HEALTHCARE IN PUERTO RICO

Deadline: Monday, April 1, 2025

In-person event to be held on May 1, 2025, at the Caribe Hilton hotel in San Juan.

This call seeks to bring together researchers, academics and professionals in the sector to share the latest advances and results in the research areas related to the **Symposium for Advancing Precision-Based Integrative, and Individualized Healthcare in Puerto Rico**. It also aims to select the most outstanding abstracts for poster presentation during the event.

Abstract Theme Topics Options:

- Achievement of healthy lifestyles
- Health advances
- Integration of Health Services
- Biomarkers in Precision Medicine
- Precision Medicine in Rare Disease Management
- Early Detection of Disease
- Advances in Chronic Disease Management
- Social Determinants of Health and Precision Healthcare

To submit your abstract click the following link:

<https://bit.ly/symposium2025-callforabstracts>

Requirements for Abstract Submission:

- 1. Length:** Abstracts must be a maximum of 300 words. Title, authors, co-authors, affiliations, institutions, and acknowledgments are not included in the 300-word count.
- 2. Format:** Must include title, authors, institutions, summary of content, and keywords.
- 3. Language:** May be in Spanish or English
- 4. Submission:** Abstracts must be submitted through this link: <https://bit.ly/symposium2025-callforabstracts>.
- 5. Quantity to be submitted:** Participant can submit only one abstract.
- 6. Structure:** Introduction, Methods, Results, Conclusion
- 7. Presentation:** In-person
- 8. Must be based on research** conducted within the last five (5) years (2020 to 2025), with an emphasis on Puerto Rico, the Caribbean, and/or Latin America.

Selection Process:

A scientific committee will review all abstracts received and select those that meet the criteria of originality, relevance, and scientific quality.

Participant Benefits:

- Opportunity to share research results with a specialized audience.
- Possibility of establishing local or international collaborations.

3 BEST POSTER PRIZE WILL BE AWARDED:

Outstanding abstract will be recognized with monetary prizes. We believe in celebrating excellence and innovation in the field of health.

Contact Information:

For more details about the event or to resolve any questions, please contact us at mitzy.gonzalez@prcci.org or 787-360-6927.

Don't miss this opportunity to share your work and connect with the scientific community!

Note:

If your abstract is accepted, you commit to creating the poster, printing it, and attending the event in person to present your work to interested attendees. Failure to attend may affect your eligibility for future events organized by the Trust.

Important:

Ensure that all mentors and co-authors have read and approved the abstract before submission. We encourage the participation of researchers and students.
